The 4th Asian Para Cycling Championships

Riders shall ensure that the body number is visible and legible at all times. The body number shall be well fixed and may not be folded or altered. When two numbers are required to be worn, these should be placed low down and on either side of the back. When a single number is required to be worn, this should be placed low down in the center of the back. Body numbers will be distributed at the Team Manager's meeting.

Transponders, fitted to the bikes, are mandatory for all events.

The transponders will be distributed in the morning of Day 1. These should be returned once the rider has completed all their events to the timing team.

All bicycle measurement checking shall be carried out in the equipment check area before entering the track.

Riders must come for bicycle-check in adequate time prior to their start. Checking will also be carried out 15 minutes prior to commencing each stage of the competition.

Commissaires are entitled to double check positions after the race. Should the bicycle or position have been modified in contravention of the regulations, the rider may be disqualified.

Any rider who considers that he needs to use a bicycle that presents a technical innovation or particularity must inform the Commissaire's Panel to that effect when presenting his license.

Bicycles or other equipment may not be left on the safety zone of the track.

Teams are also reminded that only the coaches of the riders currently on the track are permitted on the safety zone. This is also limited to one coach per rider. No other people are permitted in this zone.

Any offence not specifically penalized and any unsporting behaviour shall be punished by a warning, indicated by a yellow flag, or by disqualification from the race, indicated by a red flag, according to the gravity of the fault. A rider receives only one warning prior to disqualification. The warning and disqualification are relative to each specific competition only.

The starters' podium access is only for officials. All others are asked not to use this podium. Access to the awards ceremony podium is forbidden except for official ceremonies.

COMMUNIQUE No 4

Anti-Doping Controls

1. Testing will be conducted under the current Anti-doping rules of the CADF.
2. The Doping Controls will take place in Doping Control Stations (DCS) which are located on the 2nd floor of the velodrome.
3. Every rider has the obligation to make sure if they are required to attend the Doping Control Station. A list with the race numbers of the selected riders will be posted near the finish line and at the DCS immediately after the race.
4. Riders to be tested may be notified by a Chaperone. The notified rider shall remain under the continuous observation of the chaperone at all times from the time of notification until completion of the sample collection procedure. Should no chaperone be present, the rider shall proceed immediately to the DCS.
5. The absence of a Chaperone does not excuse the rider from reporting in time to the Doping Control Station if they are selected. **Ultimately it is the responsibility of the rider to check if they have been selected for Doping Control testing.**
6. Each rider selected must present to the DCS as soon as possible at least within **thirty (30) minutes** of finishing the race. If the rider takes part in an official ceremony or attends a press conference the deadline shall be **thirty (30) minutes** from the end of the ceremony or the moment their presence is no longer required at the press conference.
7. Riders must report to the Doping Control Station with their current license, but if it has no photograph, another official identification document with photo must be presented. Riders may be accompanied by a person of their choice.
8. This is a brief outline of the requirements for Anti-Doping Controls. The UCI's Cycling Regulations including Part 14 – Anti-Doping regulations (and also the appendix 3A) may be downloaded from the UCI website.
