The wearing of the rigid safety helmet, done up in a correct manner, is mandatory for riders at all times when riding on the track surface and safety zone.

Riders may not wear headphones attached to devices such as radios, music players, telephone, etc., while riding on the track.

The use of the derny and the use of starting blocks, Standing starts during the official training are not permitted.

Riders are reminded that they must wear their respective apparel (team jersey) during the races as well as during award ceremonies. UCI World Cup Leaders, World Champions, Continental Champions and National Champions have to wear their jersey in the discipline, specialty, and category in which they hold their title, subject to article 1.3.071 of the UCI regulations.

Riders participating in the awards ceremony must present themselves in due time, bare-headed and without headband or glasses, wearing proper footwear, until after they leave the official ceremony enclosure.

Riders shall ensure that the body number is visible and legible at all times. The body number shall be well fixed and may not be folded or altered. When two numbers are required to be worn, these should be placed low down and on either side of the back. When a single number is required to be worn, this should be placed low down in the center of the back. Body numbers will be distributed during license control. No transponders will be distributed of this event. For mass start events, special frame number should be placed on front part of bicycle.

All bicycle measurement checking shall be carried out in the equipment check area before entering the track. Riders must come for bicycle-check in adequate time prior to their start. Checking will also be carried out 15 minutes prior to commencing each stage of the competition. Commissaires are entitled to double check positions after the race. Should the bicycle or position have been modified in contravention of the regulations, the rider may be disqualified.

Riders are reminded that only one exemption is permitted.

Bicycles or other equipment may not be left on the safety zone of the track.

Teams are also reminded that only the coaches of the riders currently on the track are permitted on the safety zone. This is also limited to one coach per rider. No other people are permitted in this zone.

Any offence not specifically penalized and any unsporting behavior shall be punished by a warning, indicated by a yellow flag, or by disqualification from the race, indicated by a red flag, according to the gravity of the fault. A rider receives only one warning prior to disqualification.

The warning and disqualification are relative to each specific competition only.

If a rider is relegated in a competition, that relegation may also carry with it a warning, depending on the gravity, intent and impact of the fault. A rider receiving a second warning, or being relegated for the third time, is disqualified.

The starters' podium access is only for officials. All others are asked not to use this podium. Access to the awards ceremony podium is forbidden except for official ceremonies. If a rider is disqualified from one round of a particular event, no rider or team from a previous round of that event will have their ranking advanced.
